

Advanced bone and heart protection!

CAL/MAG 100

Optimal Bone Protection

Build strong bones and keep them strong for a lifetime!

CAL/MAG 100 delivers 100% of the U.S. Daily Value of Calcium and Magnesium, plus Vitamin D and Zinc, in a scientifically balanced formula that is easily absorbed by the body.

Not all Calcium is equal. When added to water, **CAL/MAG 100** undergoes a carbonation reaction that converts Calcium Carbonate to Calcium Citrate. This important process makes the Calcium more bioavailable. Calcium Citrate is a chelated form of Calcium preferred by many health and nutritional experts because it is better absorbed than other forms of Calcium. Calcium and Magnesium can also have a soothing and relaxing effect on the muscular and nervous systems to calm the body and prepare it for a night of rest. Consistent physical activity, a well-balanced diet, and adequate calcium and vitamin D may reduce the risk of osteoporosis.*

Protect yourself from the dangers of weak bones*

Ensure 100% of Calcium and Magnesium in one great tasting drink*

May have a soothing and relaxing effect on the muscular and nervous systems to prepare for a night of rest.*

“In women, especially during menopause, there is a definite need for calcium to maintain healthy bone density. It works! I’m seeing it in my practice.”

— **Dr. D. Batch, M.D.**

“I’m 64 years old. CAL/MAG 100 is my number one product. It keeps me from cramping and has done away with my lower back pain.”

— **Paul B.**
